Mobile development
[Flutter, Android, iOS]

Release management
[Google Play, App Store, Firebase
App Distribution, Fastlane, Github
Actions]

Communication
[MQTT, REST, gRPC, GraphQL,
Bluetooth]

AI supported work (no vibe coding)

genixpl.github.io

SUMMARY

Mobile developer with 6+ years of commercial Flutter experience. Having worked on large-scale projects, I place a strong emphasis on quality and scalability. I can handle the full SDLC—from supporting business and design to implementation and deployment. Direct and autonomous, I take my responsibilities seriously to deliver fast, maintainable results. I am looking for a 60–80% position so I can continue developing myself.

EDUCATION

Bachelor of Engineering in Computer Science (EN)

Warsaw University of Technology
Sep 2016 - Feb 2020

WORK EXPERIENCE

Senior App Developer

Coop Norge, Oslo
Jun 2024 - Jan 2026

Technologies: Flutter, Android, iOS, Dart, Kotlin, Swift, REST, gRPC, Fastlane, Github Actions, Aera SDK

- standardisation of code structures;
- full refactor of the payment system in the app;
- overhaul of the dependency management;
- introduction of a strong code testing culture;

Mobile Tech Lead

Futurehome, Oslo
Apr 2020 - May 2024

Technologies: Flutter, Android, iOS, watchOS, Native Home Widgets, Dart, Kotlin, Swift, Mqtt, Bluetooth, gRPC, REST, Fastlane, GitHub Actions

- significant portion of the app's development, including native widgets and an Apple Watch companion app;
- designing, planning and transitioning the app's code into a proper (MVVM) architecture;
- writing tests and ensuring overall quality of the code;
- creating and maintaining a set of internal Dart packages used across several projects;
- planning deliveries with business and designers;
- CI/CD work for the app;
- recruiting new people;

Mobile Developer

Beside The Park, Warsaw
Apr 2018 - Oct 2018

Technologies: iOS, Android, Objective-C, Java

- implementing new features inside iOS and Android SDKs;
- field and unit testing;
- maintenance of existing code (debugging and fixing);
- writing documentation;
- communication with the client;
